Expires
May 31, 2002

Product Review Coordinator

Executive Director

Meridian

This listing is not OMRI certification or endorsement and cannot be construed as certification or listing by any or OMRI's subscribing certifiers. Final decisions regarding the acceptability of use of the product and any restrictions on it's use under any particular certifier's program are made by the certifier that still has the right to decline OMRI's recommendations. Producers and handlers still need to contact their certifiers for information as to whether or not this material may be used in organic production or handling.

* See the most current *OMRI Generic Materials List* for more information plus annotations and restrictions.
